All young girls dream of becoming a Princess in a fairy tale. And whether living happily ever after in a vast magical kingdom like *Disney Cinderella* or being the one true “fairest in the land” like *Disney Snow White*, we all learn that dreams can come true when one recognizes their own strength, courage and individuality. In doing so, you look inward and gaze upon the image of virtue and style within like a mirror that reflects limitless possibilities. And it’s in that reflection you’ll clearly see—with a graceful smile and that bright sparkle in your eye—the Princess you were born to be.

Now, the master artisans of Hawthorne Village, an official Disney licensee, invite you to discover your inner Princess in an enchanting new way. Introducing the *Disney “True Princess Within” Mirror Collection*.
